Dedicated to driving ophthalmology forward in the Asia-Pacific region and beyond, the Asia-Pacific Academy of Ophthalmology organizes its annual congress to provide a platform for ophthalmologists and visual scientists to meet and exchange expertise in their subspecialty areas and to disseminate the highest standards of treatment, clinical and basic research, education and training, blindness prevention and patient care. The 33rd Asia-Pacific Academy of Ophthalmology Congress is anticipated to bring together more than 5,000 delegates and over 1,000 top-notch speakers from around the world to explore current knowledge in ophthalmology and visual sciences.

As one of the most important ophthalmic meetings in the Asia-Pacific region and beyond, the APAO annual congress provides a unique opportunity for all those working in the diagnosis and treatment of eye diseases to keep abreast of the latest developments in the rapidly changing and expanding field of ophthalmology. This year’s theme, “Creativity and Technology without Boundaries,” will focus on providing new and innovative solutions to a variety of ophthalmic challenges.

Booth Choices
Please indicate at least 4 booth locations in different areas of the exhibition in order of your preference, keeping your priority point status into consideration. The priority of booth assignment will be assessed according to the company’s earned priority points and payment date. Companies with the greatest number of points are assigned first, progressing to companies with the fewest.

When assigning booth space, we will take into account your company’s priority points, payment status, your preferred booth type and the booth location(s) you have chosen. Every effort will be made to assign one of your booth choices. If your booth choices are not available, we will ask you to submit additional selections.

Adjacent and Shared Exhibit Space
Sharing of exhibit space is only permitted for divisions of the same company and those with exclusive distributing agreements. Consideration of adjacent and shared exhibit space requests is offered only if the request is submitted as part of the booth booking. Evidence of exclusive distributing agreement must be submitted at the time request to share exhibit space is submitted. The booth assignment is based on the companies’ averaged priority points.
Priority Points Program

The Priority Points Program is a participation and loyalty reward system for APAO Congress corporate partners including Exhibitors and Sponsors.

The program is designed to reward corporate partners for their support and provide a clear and transparent scheduling process of the exhibit booth space order for each exhibitor.

To benefit from the Priority Points Program, the company is required to submit the completed booking form to the APAO Secretariat by the priority point deadline of August 31. The Priority Points Program will not be applied to late submissions.

The priority of booth assignment will be assessed according to the company’s earned priority points and payment date. Companies with the greatest number of points are assigned first, progressing to companies with the fewest.

The priority points can be accrued through attendance at the previous congress as well as sponsoring, advertising and supporting the congress programs.

When two companies with equal points request the same space, priority will be given to the company which has exhibited at three previous congresses in the past 5 years. If a tie still exists after evaluating this criterion, the exhibit space will be assigned on a first come, first served basis based on the booking and payment dates.

Violations of or failure to adhere to APAO policies, contracts, rules and regulations will result in points being deducted from a company’s total points.

The priority point system is subject to cancellation, change or modification by APAO at any time without prior notice.

Priority Points are accrued annually and added to the cumulative total in the following ways:

1. **Exhibiting**
   - 1 point for exhibiting in the current year
   - 1 point for exhibiting at 5 previous consecutive congresses

2. **Booth Size**
   - 1 point per every 9 sqm of booth space
3. **Payment**
   - 3 points for sending full payment with the booking form by the priority point deadline: Thursday, August 31

4. **Total Congress Expenditure**
   - Total event expenditure includes booth cost, registration and sponsorship at the APAO 2018 Congress.
